Mr. Troy Wilks

Re: Target – San Mateo, CA (T-1127)

Dear Mr. Wilks:

You have asked for permission to use your roller blades within the Target store at San Mateo, CA due to a disabling medical condition. In support of your request you have provided me with a letter from Susan Fullemann, M.D. as well as copy of your state vehicle registration indicating your disabled status.

Based upon your presentation of these items to me, you are given permission to use your roller blades within the Target store so long as you (a) conduct yourself in a safe and responsible manner, (b) release Target from any responsibility for any injuries you receive in connection with your use of the roller blades and (c) accept responsibility for any damage or injuries you cause to third parties in connection with your activity within the store. Your use of your roller blades within the Target store will constitute agreement with the foregoing conditions.

If you have any questions regarding this matter, please don't hesitate to contact me at (612) 304-5578 to discuss this matter.

Sincerely,

Alexander Tselos  
Corporate Counsel
